

HANDY COUNTER

V30

- Saves time and labor cost
- Easy to use
- Counts 600 notes/ minute
- Versatile: 100-240V 50/60Hz AC/DC adapter or Battery operated
- Counting cover and carrying pouch

Portability is what makes the V-30 an excellent choice for those who need to count money in a variety of locations that change on a regular basis. This counter can fit into a purse or bag. It can even run off of 4 "AA" batteries if needed. The motor runs at a speed of 600 notes per minute. The V-30 is great for business, church, school or other organization. It is especially nice for outdoor businesses and organizations that move frequently from one location to another. Order your own V-30 today!
